DELIBERATIVE PROCESS

Judy - Since you offered to help....I am attaching a draft population table for the assessment. The table in the cultural report does not include Aleknagik, which is within the watershed boundaries. We need to add that and produce a table for the assessment report. I was able to easily find 2000 and 2010 information, but not previous years. Could you fill in the previous years and send the table to Kate? Thanks!
